Performed by OFC Creations teen students. ABBA's hits tell the hilarious story of a young woman's search for her birth father.

This sunny and funny tale unfolds on a Greek island paradise. On the eve of her wedding, a daughter's quest to discover the identity

of her father brings three men from her mother's past back to the island they last visited 20 years ago.

The story-telling magic of ABBA's timeless songs propels this enchanting tale of love, laughter and friendship, creating an unforgettable

“FEEL & HEAR” MUSIC EXPERIENCE WORKSHOP

MARCH 15 @ 3:00 PM - 4:30 PM

**ROC SALT CENTER
HISTORIC CALVARY ST. ANDREW'S SANCTUARY
68 Ashland Street
Rochester, NY 14620**

Come to an interactive concert for families to explore musical concepts through games, listening, movement, and making musical DIY activities. The “Feel & Hear” Music Experience Workshop was a small children’s music project produced in June 2019 in China.

In the form of parent-child interactive concerts, the program lets children experience musical instruments, pitch, and rhythm through playing games, actively participating in a concert of interesting classical music, and enhancing their appreciation of music.

The format and success of this original project will be adapted for Rochester audiences. The program is designed for children ages 4-10 with their parents/adults.

The event begins at 3pm with games, then the concert, followed by a chance to meet the instruments up close and make DIY take-away items.

All who are curious about music and musical instruments are welcome to enjoy the concert, learn more about music, and meet the instruments up close.
