### **About the Project:**

The City of Rochester is reconstructing a section of East Main Street between N Goodman St and Culver Rd, including pavement reconstruction, new granite curbing, new concrete sidewalks and driveway aprons, new water main, new street lighting and landscaping. Reconstruction of the roadway will improve the ride quality and reduce ongoing maintenance costs. Handicap accessibility will be upgraded as ADA and pedestrian access will be investigated and improvements made in this project where practically feasible and scheduled for the future where not feasible.

# Borrowed Monroe County Library System Books Due June 29

All libraries in the Monroe County Library System are currently closed to the public. For a list of libraries offering curbside pickup, book drops and hours: [click here](#)

We wish to inform you of the steps we have taken thus far:

1. **Borrowing** Current materials borrowed will now be due on June 29, 2020, allowing you to retain the materials in your possession without fines. Items can be returned before that date to any open book drop within the Monroe County Library System. Click [here](#) to see available drop off locations.
2. **Holds** Physical hold expiration dates have been extended until further notice. When libraries re-open holds will be filled in order for each library location.
3. **Collections** Library user accounts with outstanding fines and fees (above \$35.00) that would normally be referred to our collection agency will not be referred at this time.
4. **Services** Many libraries are now offering curbside pickup for library materials. Click [here to see](#) what libraries are offering this service. Also check regularly with your [local library](#) for changes to services.

During this time, we encourage you to utilize our online resources, particularly Overdrive, where the MCLS has increased resources. Overdrive maintains e-books, audiobooks, and magazines through its website and app.

Please also check with your [local public](#) and school libraries for other available online resources and additional services such as reference services by phone, email and text or live-streamed and recorded events.

Libraries will continue to purchase and make available more e-books and e-audiobooks for Overdrive, which can be accessed through [libraryweb.org](#), or by clicking [here](#). Streaming video content is available through Hoopla, a product provided by some MCLS locations, including the City of Rochester, Gates, Pittsford, and Greece.

Check your [local library website](#) for more information about your community library.

**THE 62nd ROCHESTER INTERNATIONAL FILM FESTIVAL  
IS GOING VIRTUAL -- AND STILL FREE!!!  
(Donations still welcome online)**

Just go to [www.rochesterfilmfest.org](http://www.rochesterfilmfest.org) from June 21 to June 27.

Since we don't know when it will be safe to pack 500 of our closest friends (and loyal fans!) into the Dryden Theatre, we have chosen to offer our festival on-line this year.

All 28 films will be viewable in Western and Central New York through a link on our website.

We hope to see you there the week of June 21!

The Rochester International Film Festival is one of the longest running short film festivals in the world! Voted "Best Local Film Festival," by readers of CITY newspaper for 6 years in a row!

Our 100% volunteer-run, 501(c)(3) nonprofit is funded by grants, sponsorship, program advertising and generous donations from attendees.

**VIRTUAL: *Portrait of Jennie*: The Rarest Cinematic Experience of All Time**  
**Thursday, June 25 at 1 p.m.**  
**Livestreamed from the George Eastman Museum's Dryden Theatre**  
[Register via Zoom](#)

Through this free webinar, Curator of Film Exhibitions Jared Case, Preservation Manager Anthony L'Abbate, and Chief Projectionist Spencer Christiano will talk about the film *Portrait of Jennie* (1948), its technical peculiarities, how they fit in with cinema history, and how those aspects are re-created in a modern cinema. Christiano will stream live from the Dryden Theatre projection booth to demonstrate the techniques used to exhibit the film in a manner consistent with the filmmaker's artistic vision. With no Nitrate Picture Show this year, tune in and enjoy a behind-the-scenes look at what might have been—and will be again! [Registration is required](#) as spaces are limited.

## Rochester Greenovation Has Free Crutches, Walkers & Other Medical Supplies

**Plus: Their Second Hand Store Reopens This Week**

**@RochesterGreenovation**

We give away medical items for free to those that need. Sorry the quiet and contact us if someone needs crutches, a walker, wrist or ankle brace, walking boot, and more.

Contact Greenovation at the contact info. below:

<https://www.facebook.com/RochesterGreenovation/>

Also, Greenovation's **1199 East Main Street Rochester's** Second Hand Store plans a soft reopening this week. Check out more information and hours at this Facebook link:

<https://www.facebook.com/RochesterGreenovation/>

Rochester Greenovation is an Independent Nonprofit Organization where selling second hand, reducing waste, reusing and upcycling are our main priorities.

But what is our TOP priority? Continuing to manifest our commitment to our wonderful City of Rochester, while collaborating with like minded Rochesterians who share the same Green Values as we do.
