Wander into the mouth of Expedition Earth's cave and emerge in a lively, arts and crafts festival milling at the base of a life-sized mastodon model. What better way to feel the magic of holiday shopping?

The RMSC Council, a volunteer service organization that supports the Rochester Museum & Science Center (RMSC) presents its 49th annual Holiday Bazaar Arts & Crafts Sale featuring more than 200 elite fine artists and craftspeople filling the Museum galleries and Eisenhart Auditorium. Browse ceramics, jewelry, glass, woodwork, photography, paintings, prints, sculpture, fiber arts, floral crafts and other beautiful items. Food and beverages are available in the Cunningham House studio, an area not usually open to the general public.

As one of the longest running arts and crafts festivals in the Rochester region, it attracts thousands of shoppers annually.
