Department - Local History & Genealogy

REGISTRATION IS REQUIRED. Registrants will receive a link to the Zoom meeting in an email an hour before the program starts.

Join us for a survey exploring a selection of artistic works found throughout Mount Hope Cemetery and an introduction to the artists responsible for them. We'll highlight works of architecture, of sculpture, and of decorative design that make Mount Hope an unexpected, exceptional and serendipitous public, open-air museum. Additionally, we will reflect upon the lives and work of a number of artists, and of local patrons and supporters of Rochester's arts community, who have found final rest amid the natural splendor of America's oldest municipal, rural, Victorian cemetery. Part of the Mourning in the Morning lecture series presented in partnership with the Friends of Mount Hope Cemetery.

Christopher C. Conway, a native of rural East Texas, grew up in the greater Houston area. He traded the Gulf Coast for the Pacific Northwest and, for the whole of the 1990s, called Seattle, WA home. He happily made his way to Rochester in 2017 - and has yet to try a Garbage Plate. Chris holds a BA in art history from the University of Houston and is currently employed as an Exhibitions Assistant at the Memorial Art Gallery. He looks constantly to indulge a life-long love of travel and theater. You may well catch, if you've not already caught, an occasional glimpse of him on Rochester's local stages.

National Alliance on Mental Illness

Saturday May 30, 2020

Start time: 11:00 AM

NAMIWalks is going to be a little different this year. We're not canceling it – we wouldn't think of it when our collective mental health needs are at their greatest. NAMI's programs and advocacy are needed more than ever, and with your help, we are pleased to present a walk for our times, **NAMIWalks Your Way Rochester: A Virtual Event** on May 30.

What is NAMIWalks Your Way?

On May 30, NAMIWalks will be a virtual experience and joined by NAMIWalks across the country. NAMIWalks Your Way means what it sounds like: participants get to make NAMIWalks their own. You can walk a 1K—through your neighborhood, around your backyard, on your treadmill. Or you can do something else meaningful and fun to celebrate our virtual walk day.

What participants are doing on May 30:

- Walking 2,000 steps for a *1 mile their way*
- Planning a craft day with their kids
- Holding a virtual bake-off with their team
- Practicing self-care with a favorite hobby: yoga, gardening, knitting
- Doing a 5K on the treadmill or stationary bike
- Hosting a virtual paint and sip party

Take photos and videos and share your activity on a favorite social media with the link to your walk fundraising page and the hashtag **#MentalHealthRevolution** and **#MentalHealthForAll**. Together we can make May 30 a day to remember - *Mental Health for All: A National Day of Hope*.

The only limit of NAMIWalks Your Way is the reach of your imagination and the breadth of your compassion. Share your ideas with us!
