## George Eastman Museum Opens Sunday July 19 to Public

For information, advance tickets and hours, click here: <https://www.eastman.org/welcome-back>

Dear RCSD Families,

We have created a brief survey for students and parents to help us better understand the concerns and questions you may have regarding the reopening of schools this fall.

As we develop plans, protocols, and safety measures, your feedback is needed and may be used in conjunction with guidance from the governor, Monroe County and New York State health officials, the Centers for Disease Control, and the New York State Education Department. Our top priority and focus of this work is the health, safety, and well-being of our students, staff, and families.

To complete the survey, please visit [www.rcsdk12.org/survey](http://www.rcsdk12.org/survey). If you don't have access to the internet, assistance is available by calling the District's Support Hotline at 585-262-8700, Monday through Friday, from 8:30 am to 4:30 pm. Representatives are available to assist you with completing the survey.

The survey will close on Wednesday, July 15, so please visit [www.rcsdk12.org/survey](http://www.rcsdk12.org/survey) today.

Thank you for sharing feedback with us as they relate to the reopening of schools in the fall.
